

ARTHINGTON PARISH COUNCIL

SUMMER NEWSLETTER – JULY 2015

TOUR DE YORKSHIRE

Once again we saw the spectacle of thousands of cyclists riding through Arthington on Sunday 3rd May 2015. From early morning bikes were speeding through the village in a westerly direction with the riders taking part in the Tour de Yorkshire ride (Sportive) for amateur cyclists, returning again later, going in the opposite direction. All this was before the main event in the late afternoon when we watched the riders of the Tour de Yorkshire speed past before tackling the climb up Black Hill Road on their way to Roundhay Park for the finish of Stage 3. The Village Hall was open for parking and refreshments from 9am, with the now famous bacon sandwiches and home-made cakes being served and a successful day was had, the car park being full to capacity.

Thanks to all volunteers who helped to raise money for our Village Hall.

Memorial Bench

The memorial bench for Councillor Clive Fox was put in place, outside Arthington Village Hall, in April and all comments have been very favourable. Grateful thanks to ward councillor Billy Flynn and the Leeds Outer North West Area Committee for funding the project.

THE LEANING PHONE BOX OF ARTHINGTON.....is leaning no more. It is now standing upright outside the Village Hall and the renovation of the paintwork will take place shortly. This will be carried out by the parish councillors.

Parish Inspection

Parish Councillors carry out an inspection of the parish every year and on the recent tour in late June it was noted that several sites need attention.

A report will be submitted to Leeds City Council for their action.

Items to be reported are:-

The bad state of Bedlam Lane, overhanging branches on Black Hill Road, uneven surface after roadworks on upper part of Creskeld Lane and the viaduct area being full of litter.

We are pleased to report that all gullies have been inspected in the upper area of Arthington Parish and those which needed clearing have been cleared.

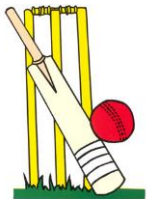

We supported residents on Rawden Hill about speeding vehicles and Leeds have erected some new signage.

Have we missed anything?

BROWN BINS at last! After repeated pressure on Leeds to supply Arthington with brown bins we now have them and how did we ever manage without them????

New Councillors

We have been pleased to welcome 2 new councillors in the past year. Barbara Shepherd joined the council in July 2014 and Diane Fox was co-opted onto the council in March 2015. The contributions they have made already has been much appreciated.

ARTHINGTON CRICKET CLUB (continuing from our last newsletter)

When the league season finishes in the middle of September the club organizes the Arthington Festival, when it plays 9 visiting friendly teams. To get all the games in requires playing both Saturday and Sunday afternoons. This year the festival will run from Sunday 13th September to Sunday 11th October. As a matter of interest, these games always seem to bring settled and sunny weather – hardly ever are games rained off! Many people travel to Arthington to watch and for example, at the last game last year (12th October) there was a crowd of 54.
