Hannah Hay | Clerk to Arthington Parish Council

Over the next few days, weeks and maybe months, some members of our community may need to self-isolate and might need help, in particular the elderly and vulnerable.

Can you volunteer your time to collect prescriptions, groceries or essentials to help people struggling at this time? If so, please let us know!

Do you need help with shopping? Get in touch!

We're gathering names of residents who either need help or can help others - please call the Clerk on 07739 310 400 or email arthingtonparish@live.co.uk

If you think someone is staying indoors, please write down the above details and pop through their letterbox.

Guidance replaced to Coronavirus is changing daily. We can help to minimise risk, prepare ourselves for potential self-isolation and protect the most vulnerable members of our community by following trusted sources of information.

The NHS website provides information about the virus, potential symptoms, guidance on how to self-isolate, details about their 111 service and links to the official Government information for travel advice and action plans:
