## Accessibility Statement

This accessibility statement applies to Arthington Parish Council's website.

This website is run by Arthington Parish Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts using browser or device settings
- zoom in up to 400% without the text spilling off the screen
- navigate most of the website using a keyboard or speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

### How accessible this website is

We know some parts of this website are not fully accessible:

- you cannot modify the line height or spacing of text
- most older PDF documents are not fully accessible to screen reader software
- you cannot skip to the main content when using a screen reader
- there's a limit to how far you can magnify the map on our 'contact us' page
